Prepare to Pass Workshop

Overview

In the words of Benjamin Franklin: “Failing to prepare is preparing to fail”. Worry not though! ‘Prepare to Pass’ is the perfect preparation for mock, GCSE, BTEC and A level exams.

It looks at the key areas of self-belief, organisation, reviewing and stress management all wrapped up in a powerful workshop, complete with a revision toolkit that’s second to none and flexible enough to suit everyone!

Students begin by looking at self-belief and examining their own reasons for wanting success in their exams. This is followed by a comprehensive set of world-class revision techniques – a toolkit, if you like, that guarantees to offer something to suit everyone. Organisation, including the study / life balance and pacing is next with a rigorous look at how to maximise the impact of every revision session to boost exam results. The workshop ends by building confidence through a range of stress-management techniques. This workshop represents an essential component in any student’s accelerated learning and development.
